

Rudera Syrah 2003

main variety Shiraz

vintage 2003

analysis alc: 14.0 | ph: 3.9 | rs: 2.4 | ta: 5.4

type Red

producer Rudera Wines

style Dry

winemaker .

wine of origin Stellenbosch

tasting notes

Deep, intense ruby with violet rim. Whiffs of spice - hints of leafy forest floor on the nose. Gentle and soft entry on to the palate gives way to rich, ripe, concentrated berry fruit flavours. Elegant and approachable but doesn't dominate. Lingering aftertaste.

ageing potential

Drinking well now and will reward two to six years in bottle.

blend information

100% Shiraz

in the vineyard

Two different vineyards were used; one on Koffieklip in Koelenhof, and the second a vineyard on shale, in Faure, all in the Stellenbosch appellation. All these vineyards are trellised on a four-wire perold system. Drip irrigation is available to combine canopy management with stress management. The average age of the vines is nine years and the quality of fruit should improve every year.

about the harvest

Handpicked grapes were brought in late in February at 24,8Å° brix. The pH was 3.2 with a titratable acid of 8,0 g/l. Sorting was done in the vineyard, followed by bunch selection in the cellar before crush. Our total production was 6,9 tons per hectare (46hl/ha) and 1980x6x750ml were made.

in the cellar

Sorting was done in the vineyard, followed by bunch selection in the cellar before crush. The grapes were fermented with an inoculated yeast (WE372) and pumped over three times per day. Two separate fermentations were done - a small amount in new oak for seven days and the rest in tanks at 29Å°C, and fermentation lasted six days. Extended skin contact lasted a total of 11 days.

The wine underwent malolactic fermentation in barrel. 20% new French oak barrels, and 80% second and third fill barrels were used. Most of the barrels are from the cooper Vicard. The wine was racked using only gravitation. This was done for the first time after malolactic fermentation, and again in August. The wine matured in barriques for 11 months.

The wine is unfiltered and received only an egg white fining before being bottled.
